

Do not let the Bell "Wolves" own the chicken coop which they already dominate. Competition requires competitors to be alive. If the FCC lifts the dominant classification from the Local Exchange Carriers (Bells), it will limit competition to a duopoly consisting of a bell and a cable company. Competition in the American Telecom marketplace will not be incentivized, it will be torpedoed. ISPs and CLECs will die, consumers will be deprived of choice and the FCC will be wholly to blame for the travesty. DO NOT DO IT. Chairman Powell: Please do not allow BIG BUSINESS to have illegal leverage with the government regulators, which will destroy the competition that built our great nation and continues to keep our country strong.
